What to expect . . .

Thank You for your interest in staying at Arends Rus. We trust this info pack will answer most of your questions.

Arends Rus is situated between Middelburg and Groblersdal, next to Loskop Dam in Mpumalanga.

Arends Rus is not a commercial resort. It is a private farm with 3 x log cabins which are close enough for a group of either 4, 8 or 12 people to "kuier" together - yet far apart to offer each their own privacy. Expect a friendly and tranquil "bosveld" atmosphere without the commercial overcrowding whilst still experiencing the breath-taking birds-eye view and unique sunsets over Loskop Dam!

Road: Arends Rus is located on top of a mountain. The farm road up the mountain is NOT suitable for low suspension cars or low profile tyres. VW Golfs (and larger) should manage easy - if not over laden. No quad bikes or any other noisy vehicles permitted.

Self Catering: The cabins are self catering with a fully equipped kitchen for four people - cutlery, crockery, fridge/freezer, microwave, kettle, toaster and gas stove. The rooms have ceiling fans and build-in cupboards while all linen, blankets and pillows are provided. No TOWELS are provided - please bring your own. No cleaning is provided. If needed, it can be arranged at R150 p.d. for beds, dishes and sweeping of floors. The same fee will be charged for dirty cabins upon departure.

Note: The cabins have 4 to 5 steps. Hence, it is not suitable for the elderly and thus also not wheel-chair friendly.

Each cabin has its own private braai area, outside open hot/cold shower and shade-net parking. Braai wood can be purchased on site or you are welcome to bring your own. We use "tested" borehole water which is safe to drink. If you do not drink borehole water, please bring your own bottled water along.

Smoking: Strictly No Smoking allowed in any cabin.

Pool: There is a sparkling pool, pool-deck and small lawn for your convenience at the Main Cabin. NO children are permitted near the pool without parent supervision, as the pool is not fenced and we do not "baby-sit" children.

WiFi: Free WiFi is available – ask for the access code.

TV: At Arends Rus there are no TV's. We trust you chose us to relax, bond with family and friends while enjoying the tranquillity of bushveld and nature. Should you do wish to watch your favourite sport or soapy, Big Screen TV's are available at various close-by venues. For the adrenaline junkies - there are from Zip-line to paint-ball and more, all close-by.

Fishing: Fishing is not accessible from Arends Rus, as we are 180m on top of a mountain. However, should you wish to fish, you can use Forever Resorts' facilities - entrance fee applicable. Other fishing spots – mainly free are also available.

Boats: There is ample parking space available at the bottom of the mountain for your boat. The entrance to the farm is permanently locked - i.e. relatively safe for your boat. Please do not tow your boat up the mountain as there is no space to turn your boat around on top. Forever Resorts has two launching pads - and is only 2km away. Arends Rus guests enjoy a 50% discount on Forever's entrance fee when launching your boat there. Collect your entrance permit from Arends Rus prior to visiting Forever.

Late Arrivals: Please do not arrive after 18:00 without prior arrangement.

Pets: Unfortunately no pets are permitted.

Extra's: Remember to bring your personal necessities, i.e. torch (Eskom's load shedding is a reality), moszi-spray, sun-block, fire lighters, comfy walking shoes, hat, first aid, etc.

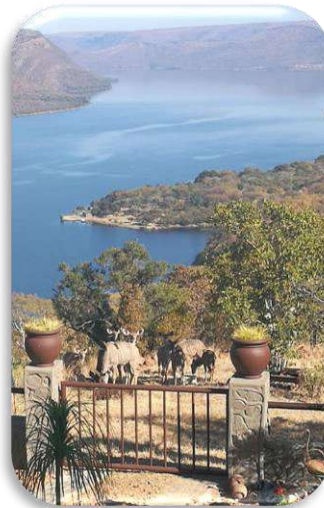

We really look forward to meeting you soon!

Nic & Sonia van Rensburg.
